AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I ve decided to hear what the doctors at Duke have to say about my options. The last time I was at Duke was for open heart surgery. I arrived at six in the morning and found my way to the new heart center where I was greeted and given a hospital gown to wear. Then I was escorted to the operating room where I lay on a table with at least twenty medical personnel surrounding me. I was prepared for surgery, and all eyes were focused on me. I m the professional actor who was contracted to be the patient on the operating table. The shoot and simulated operation went well. Everyone said I was the first patient to ever jump off the operating table after open heart surgery. It was a fun day and the real medical professionals thought John Travolta must have been hired for the part. Now reality - cancer and I m going to Duke Cancer Center. Wow.I have cancer.this is no act!.
