Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book was written for the mental health professional, be they graduate students or seasoned professionals of all mental health disciplines. It is not for the general public. It is not a self-help, do it yourself book. The motive was to share with his colleagues, around the globe, either engaged in actively treating Dissociative Identity Disorder (DID) clients or those considering expanding their practice into the area of DID or graduate students with his positive experiences in bringing all the DID true alters together without re-traumatizing them through the use of abreaction or any form of it. The author will be taking you, step by step, on his 27-year journey of discovery in the diagnosis and treatment of DID. First and foremost you will discover the answer to the challenge, How to fuse alters without causing them to be retraumatized over and over again, through abreaction. He does it in 60 seconds or less, and they stay together. Secondly, He shares a well known, but apparently seldom used, question that shortens the diagnosis of DID from months to seconds. He describes the scientific basis for his As If technique and offers four variations: One from a Judeo/Christian perspective, one from a secular perspective, one from a Wiccan perspective, and a variation for young children. With client consent, the author allows the reader to sit in on various therapy sessions. To witness, first hand, the inner workings of his techniques from the normal to the bazaar. Finally, several successful fully integrated clients graciously volunteered to include their personal testimonies. You will be moved, inspired and hopefully motivated to get involved in treating DID by the...
