General Safety and Health Provisions Including our reference source document the e-CFR OSHA 1926 Subpart C General Safety and Health Provisions for April 2015. The 2015 Edition of OSHA Part 1926 Subpart C - General Safety and Health Provisions includes the e-CFR data current as of 2 April 2015 (the reference document for this Work) while providing study material for the following paragraphs of 29 CFR OSHA Part 1926, Subpart C-General Safety and Health Provisions. The paragraphs are presented in general sequential format written to college, high school and GED educational levels. In addition the paragraphs follow the official e-CFR 1926 Subpart C-General Safety and Health Provision in the form of multiple-choice, text type questions and answers with answers provided with each question problem set. The answers are presented with each problem set and are not hidden at the back of the textbook, ends of chapters of with odd or even answers . In this it is our belief that education is too important to play guessing games. This work therefore is about leisurely, but carefully reading important passages from important legal (federal) documents. This Work is an excellent study tool of and for 29 e-CFR OSHA Part 1926 Subpart C-General Safety and Health Provisions of Part 1926 Safety and Health Regulations For Construction.
