Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.November 1942, Russia: As the German Sixth Army discovers just how vicious the fighting in Stalingrad can become, the Germans take troops from their flanks in final attempts to take the city before the onset of another bitter Russian winter. To the south of Stalingrad, on a thinly held front line stretching hundreds of miles, small groups of German troops are dispersed across positions held by their allies of the Fourth Romanian Army. With temperatures dropping to minus 25 to 40 degrees Celsius and a vicious struggle for survival against both nature and the cruelties of war, the portrayal of individual human reaction to fate and historical events is a gripping insight into the soldier on the frontline, thousands of miles from the decisions that will forge their individual destinies. The story weaves a path through the days of war on the Volga seen from the eyes of the individuals that fought it. Content Example: He paused, aware of a distant sound.
