Brand New Book ***** Print on Demand *****.From the Editors: Helga Zepp-LaRouche provides the crucial strategic overview in this issue of EIR, posing with up-to-date predicates the crucial con-juncture mankind faces: nuclear war on the one side, versus the future being offered by the BRICS nations steps toward a new just world economic order, on the other. Citizens of the United States, and the world, have to act to determine which future they want, she stresses, with the passion to ensure that a beautiful mankind survives (Feature). The rest of the issue contains substantial backup for her thesis, much of it from material blacked out of the mainstream Western media. Take the recent warnings from top Russian military and political figures, which we report in our International lead. If these don't scare you, you are not in reality. Then look at what the Ukrainians and the State Department's Victoria Nuland are up to, with plans to arm Ukraine. Face the fact that the Western media spin that Russian President Putin is behind the assassination of liberal oppositionist Boris Nemtsov is not only a...
