

## Magic in the Night: The Words and Music of Bruce Springsteen

Filesize: 8.16 MB

### ***Reviews***

*It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding the event you check with me).*

*(Dr. Kristin Dickens)*

St. Martin's Griffin, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Rob Kirkpatrick's rich narrative sheds new light on the songs that have become a soundtrack for the American experience." - Mark K. Updegrove, former publisher of *Newsweek* and *MTV Magazine* "Beautifully written." David Barker, editor, Continuum's "33 1/3" series "The Words and Music of Bruce Springsteen, by Rob Kirkpatrick, offers a fresh, compelling look at The Boss's art, his life, and even his country." Library Media Connection "This is a musical biography of rock singer Bruce Springsteen that travels chronologically through the artist's many albums examining Springsteen's creative processes of songwriting, performing, and recording. The author discusses cultural and social contexts for Springsteen's music, lyrical themes and motifs, musical analysis, and musical and lyrical influences." Reference & Research Book News "Other books have covered the life and works of popular musician Bruce Springsteen, but few offer the depth of analysis and critical assessment of The Words and Music of Bruce Springsteen, which opens with a brief biography, before it turns to the heart of the matter: all of his significant albums, in chronological order, which provide a musical analysis of themes, motifs, and underlying ideas. College-level students of popular music will appreciate the attention to detail and the insights which lend to a far greater appreciation for Bruce Springsteen's works." Midwest Book Review - The Bookwatch.
