

Deja Review Histology and Cell Biology (2nd Revised edition)

By Ricky Darnell Grisson, Jae W. Song

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Deja Review Histology and Cell Biology (2nd Revised edition), Ricky Darnell Grisson, Jae W. Song, Maximum retention in minimum time! These "flashcards in a book" help you remember high-yield facts in the least amount of time possible "This is a wonderful book for students of medicine and the life sciences. The authors combine traditional topics in histology with core concepts in cell biology and medical physiology. The book is well organized and well written. This is the body of information that students of microscopic anatomy need to know to understand the foundations of clinical medicine and to succeed on future licensing examinations. 3 Stars."--Doody's Review Service Drawn from the perspectives of recent graduates fresh from their medical school and USMLE experience, Deja Review books focus specifically on what is essential for success on your course exams and the USMLE. Features: Active recall Q&As facilitate real learning, not just memorization Vignettes at the end of each chapter put the material in clinical context Mnemonics and key words help you focus on core facts Content works in conjunction with larger course books Portable size makes them great for study on the go Everything...
