Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

Brand New Book ***** Print on Demand *****.Excerpt from Hardwicke s Science-Gossip: An Illustrated Medium of Interchange and Gossip for Students and Lovers of Nature The nests of the Termites, or White Ants, are very common in India; but although so common, there is not one person in a thousand who has seen the internal economy of one of these wonderful abodes. I had often wished to do so, and although I had resided very many years in the country, during most of which I had studied natural history and collected specimens, it was not until twenty years or more had passed that I had an opportunity. This was at Etawah, N.-W. Provinces, in 18077, and the result was so curious and interesting that I think it worth recording in Science-Gossip, whose pages are devoted to such topics. I had offered a reward for a queen white ant, and at the same time I determined to dig for one myself; not that the natives were not well aware of the locality of her abode, but that they would not take the trouble to dig her out. I had observed several mounds formed by these insects near the gate of the court-house, and one morning, taking with me three men, I dug up the hard-baked soil in their midst. There were five of these conical elevations, the highest being the central. This was about a foot and a half above the level of the plain, whilst the four smaller ones, which were placed at the corners of a square of perhaps five feet, in the midst of which stood the chief one, or citadel, were each perhaps eight inches in height. It was on the...
