This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

MORE MOMENTS IN TIME: IMAGES OF EXEMPLARY NURSING

AU Press. Paperback. Book Condition: new. BRAND NEW, More Moments in Time: Images of Exemplary Nursing, Beth Perry, Within most disciplines, there are those who are recognized by their colleagues as being exceptionally competent practitioners. These people do their work in such a remarkable way as to become a model for others. This book is based on a study of the beliefs, actions, and interactions of a group of extraordinary oncology nurses - the nurses their peers would choose to have care for them if they were diagnosed with cancer. Perry's weaving of narrative, comments, field notes, poetry, and photography creates a very personal and unique perspective on nursing that leaves the reader with a greater understanding of the experience, and rewards, of caring for others.
