GRIN Verlag GmbH Apr 2015, 2015. Taschenbuch. Book Condition: Neu. 213x151x6 mm. Neuware - Seminar paper from the year 2013 in the subject American Studies - Culture and Applied Geography, grade: 1,0, Free University of Berlin (John-F.-Kennedy Institut), course: Culture and Society in the U.S.: America Divided , language: English, abstract: Following the 2012 presidential election in the United States, the demographic make up of the U.S. electorate has been the focal point of discussions and analysis in the national, even in the international media. The week following the elections, it became clear that November 6, 2012 marked the date that demographic change had caught up with America, or rather with the Republican Party. Suddenly it became very obvious that the American electorate has undergone significant demographic changes that will continue in the future and have fundamental impacts on governing and policy-making. In this paper, I want to examine which trends will change American electoral demographics or have changed them already. What do certain demographic shifts mean for the electorate of the 21st century Evaluating presidential election exit polls, data by the U.S. Census Bureau as well as research reports by e.g. the Pew Research Center and media coverage about the 2012 elections, my thesis in this paper is as follows: I am arguing that there is an emerging new 21st century electorate in respect to young voters, ethnic diversity and minority groups, certain subgroups of the female population and transformations in the U.S. workforce. I have narrowed my analysis down to these factors, but I want to point out that other factors such as geographical shifts or changes in religious views could also play a decisive role in the changing 21st century electorate of the U.S. Most of the U.S. population is not 'white' as it used to be....
