PROJECTKID

To get **ProjectKid** PDF, please access the link below and save the ebook or gain access to other information which are have conjunction with PROJECTKID ebook.

Artisan. Hardback. Book Condition: new. BRAND NEW, ProjectKid, Amanda Kingloff, Perfect for crafty parents who are eager to get their kids excited about DIY, "ProjectKid" is everything you could want in a craft book: 100(!) stylish, inventive projects; step-by-step photographs; tips for the novice crafter; easy-to-follow instructions; and a fresh, modern look. What really sets these projects apart are the unexpected, ingenious ways Kingloff uses everyday objects and materials. (Did you ever think a body-wash bottle would make a perfect rocket ship?) And these are projects for things kids want to make and keep from a juice-box owl to a pirate ship to a curio cabinet for displaying all of their treasures, plus games, jewelry, and more. Also included in the book are basic crafting lessons (such as pom-pom making and weaving) to help children of all ages build a DIY arsenal, a handy guide to must-have tools and materials, and a source directory."
