Reviews

This book is indeed gripping and fascinating. It normally is not going to price a lot of. I am very easily will get a delight of reading a created pdf.

(Albertha Cartwright)

THE PRODUCTIVE BODY

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Productive Body, Didier Deleule, Guyry Franyois, Stephen Shapiro, Philip Barnard, The Productive Body asks how the human body and its labor have been expropriated and re-engineered through successive stages of capitalism; and how capitalism's transformation of the body is related to the rise of scientific psychology and social science disciplines complicit with modern regimes of control. In Discipline and Punish, Foucault cited Guery and Deleule in order to link Marx's diagnosis of capitalism with his own critique of power/knowledge. The Productive Body brings together Marxism and theories of the body-machine for the goal of political revolution.
