Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Adolescence: A Very Short Introduction, Peter K. Smith, Adolescence is a turbulent period to live through, and a time of importance and concern to parents, teachers, and social workers. Marking the transition from the world of childhood to adult life, the adolescent faces many challenges and opportunities, including forming their own identity, relating to often conflicting demands from parents and peers, and negotiating first romantic relationships. In this Very Short Introduction, Peter K. Smith provides an engaging and informative overview of what we know and what we are learning about adolescence.
