

Beauty Design: Cosmetics as Intention & Conception

By Volker Fischer

Edition Axel Menges. Hardback. Book Condition: new. BRAND NEW, Beauty Design: Cosmetics as Intention & Conception, Volker Fischer, Text in English & German. Cosmetically-enhanced beauty is something that has existed for decades. Over the course of the last century, however, a cosmetics industry has arisen that is worth millions. Its products claim to optimise visual appearance, to bestow inner and outer health and to delay aging, under a veneer of medical credibility and reliable results. Cosmetics deals in alleged 'deep-acting' substances, which are supposed to detoxify and to purify the body from within. However, the whole arsenal of cosmetic ingredients is founded more on persuasion than conviction. Cosmetics is always a matter of mimicking an ideal. To this extent, cosmetic discourse deals in what might be described as an iconography of hunger -- it requires and is predicated upon a feeling of lack. At the same time, it promises to remedy that lack. The referential frame for cosmetics is constituted by cultural history and iconology, by semiotics and sociology, by psychology and rhetoric. Like fashion, it has called into being a linguistic system of considerable depth and complexity; one that draws its subtexts from futurology and history, from medicine and...
