A MODEL FOR CALCULATING INTERCONNECTION COSTS IN TELECOMMUNICATIONS

World Bank Publications. Paperback. Book Condition: new. BRAND NEW, A Model for Calculating Interconnection Costs in Telecommunications, Paul Nounba Um, Laurent Gille, Lucile Simon, Christophe Rudelle, The liberalization of the telecommunications markets in Sub-Saharan Africa led to increased competition on the provision and pricing of communication services. But, due to the lack of appropriate regulatory tools, newly established regulators are poorly equipped to arbitrate increasing interconnection disputes between competing operators. This guidebook and its associated CD-ROM, including the cost model,...

This is actually the finest ebook we have go through until now. It is writer in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.

-- **Gillian Wisoky**

Extremely helpful for all class of people. It is probably the most incredible ebook i actually have go through. I discovered this publication from my dad and i recommended this ebook to discover.
