Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Expert Survey of Public School System, Boise, Idaho, 1913 To the Honorabe Board of Education of Boise, Idaho. Gentlemen: Acting on the invitation of your honorable body and of the Superintendent of Schools, the undersigned have made an inquiry into the conduct, organization and equipment of the public schools of Boise and beg leave to report as follows: Scope Of The Examination. All of the members of the committee of inquiry were able to canvass in detail the course of study, the methods of supervision, the character of the teaching staff, the distribution and progress of children through the grades, the material and equipment and the expenditures involved in the conduct of the system, and concur in the findings with regard to these matters. The inquiry was greatly facilitated through the co-operation of the superintendent, supervisors and staff in the office of the superintendent. A very large part of the information necessary was. immediatly available in the form of the records collected in the routine of ordinary administration, and where additional facts were required, these were promptly supplied by the school officers or secured through personal inspection on the part of one or more of the members of the committee. The joint report is supplemented by the individual report of one of the members of the committee who visited the schools and observed the class of work in various parts of the district The Course Of Study. The course of study is comprehensive. It includes the fundamental subjects which have long been recognized as essential many school training, and also includes those forms of organized knowledge and activity which in the last generation have transformed...
