

The Reason Why: The Miracle of Life on Earth (Paperback)

By John Gribbin

Penguin Books Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. In The Reason Why: The Miracle of Life on Earth John Gribbin shows what makes our planet so special, explaining why the Fermi Paradox - the apparent absence of alien life - holds the key to our uniqueness. There are several hundred billion stars in our Milky Way Galaxy, yet out of all of these Earth is the only planet with intelligent life on it. Why? For the first time, John Gribbin makes the link between the whole series of cosmic events that gave rise to our civilization - a unique set of circumstances that have not, and could not, occur anywhere else. John Gribbin is our best, most accessible guide to the big questions of science. In this book, he explores the biggest questions of all: why are we here, what does it mean to be alone in the universe - and do we have a future? The master of popular science writing . (Sunday Times). A fascinating journey through space and time .this book presents an exciting insight into the many fortuitous events and cosmic quirks...
