## ENIKITA (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 202 x 128 mm. Language: English . Brand New Book. They knew everything about us, the grandmother told the Norwegian police investigators between her tears. Ten-year old Grete was going to meet her teacher in school. It all seemed so normal said the grandparents. A hacker named Frank and a triad of Norwegian, Europol and FBI investigators convene to find Grete. There is more at stake that has mobilized the cross-Atlantic cooperation. What they don t know is that they have opened the door to the game of power getting played in the new domain of cyberspace where real and virtual (cyber) space collide and the rules of trust need to be rethought. They know everything about us is how the game gets played. Politics will get in the way and they will find Grete, just not alive. That is Frank s fear. In a dizzying rush of hack and counter hack, the forces of good bring together an odd assortment of heroes. Monika learned her trade in Russia as one of the original Anons as in the Anonymous. Frank started hacking in the nineties and Jaime, now an FBI Special Agent leads the elite cyber squad from the NYC field office. The Norwegian lead investigator from KRIPOS is Fredrick Hansen who is nearing the end of his career. He remembers why it was that he had first joined. It means everything to find Grete. A timely book that tells a story of fiction in the context of a present day international concern with privacy and security. It is a concern felt individually as in reputation and privacy and in the large stage of international commerce, national interests and the transition to all things electronic and virtual. Where does it stop? Are...
