

The Doomsday Experiment: Save Our Planet (Paperback)

By Michael Mathiesen

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Just after World War Two and because of the use of the Atomic Bomb during that war a group of concerned scientists started something called the DOOMSDAY CLOCK because they thought quite rightly that the human race had just uncovered the technology that could end all life on this planet as we know it and they put the clock at about TWENTY MINUTES TO MIDNIGHT - an analog to when the world would end. Over the years since the inception of the Doomsday Clock these concerned scientists have moved the hand back and forth based on world events. During the so-called Cold War with the Soviet Union, they moved the minute hand forward to six minutes before midnight because we came very close to World War Three where hundreds of thousands of missiles would have filled the skies with the most deadly cargo ever - hydrogen bombs, each of them 100 times more powerful than the first atomic bombs this country dropped on Japan to end World War Two. This exchange of thermo-nuclear destruction between the two super-powers...
