Zippy Books, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.WARNING: SOME PEOPLE MAY FIND THIS BOOK OFFENSIVE! That said, for Heaven s Sake . Let s Get Cookin ! For the first time, the cuisine of the Bible comes alive to enjoy today. Though some of the recipes have fallen into disuse due to contemporary tastes (not to mention changes in social conventions, legal constraints, at-home butchering complications and so on), the Bible Cookbook offers a broad-ranging culinary feast of unique taste delights, extraordinary cooking challenges and adventurous dining experiences - all based on actual Bible descriptions (some exactly as depicted, some loosely interpreted). Beware, some of the dishes and preparation rituals may not be for the faint of heart, but the special connection to Judeo-Christian tradition will stir your imagination and delight your palate, enriching your diet while enhancing your soul. Within these pages, the actual literal Biblically-prescribed recipes and preparation hints are presented - often as given by the Word of God Himself! Caution: many of the dishes call for generous portions of meat products - but we see no harm in selecting similar soy and vegetable-based substitutes: Mock Ox, I Can t Believe it s Not Goat, Lamb-Sham, and numerous other alternatives to meat products may be available at your local specialty store. Similarly, many homes are ill-equipped for large scale butchering of live animals, especially in the quantities that some of the recipes call for, so fun and interesting substitutions are offered where possible. Though the authentic Bible-based dishes are literally translated to today s culinary sensibilities, we ve embellished here and there with special touches and serving suggestions that in no way disrespect the intended bread and circus effects the originals...
