Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book, together with my first book, Revelation-A New Interpretation: Jesus Among His Church Through 52 Messages Volume 1, takes on a new interpretation to the study of Revelation. Based on the principle of scripture interpreting scripture, it shows that Revelation is happening today, just like it has always happened and will continue to happen until Jesus comes again. These two volumes challenge the views of Amillennialism that teach events in Revelation happened during the first century. These volumes also challenge the Dispensationalists who claim all events in Revelation are futuristic. Revelation is full of numbers, colors, and symbols that play a vital role in unlocking the message. Thankfully, they are given to us in Scripture and we don t have to guess their meaning. The book of Revelation shows our relationship to Jesus Christ: it is a marriage covenant. It is Jesus who came to find a bride so that he can be with her for all eternity. When he first saw her, she was as sinful as one can be. Yet, he washed her in his blood, clothed her with the sun, and made her as beautiful as beauty can be. He gave her a new life, and established her as a suitable helper to share in his mission to become a light to the Gentiles and bring God s salvation with eternal glory to the ends of the earth.
