The Catholic Educational Review, Vol. 11 (Classic Reprint) (Paperback)

By Catholic University of America

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Catholic Educational Review, Vol. 11 Before one can offer any new suggestions, it is necessary to make some review of the work of the Council on Medical Education of the American Medical Association, for the council has for some years been engaged in just this effort at classification. Moreover, it has achieved notable results in the elevation of medical education in the United States. It has done more than any other agency in weeding out unfit medical schools, encouraging full-time professors in the laboratory branches, in demanding bedside clinical teaching, and in insisting upon adequate laboratory and hospital facilities. This is well-deserved praise, for it is notorious that no portion of the field of education has during the last few decades witnessed more thorough revision or more genuine progress than that carried forward in our medical schools, largely as a result of the enlightened policy of the American Medical Association. The president of the Carnegie Foundation not only recognizes the progress that has been made, but he very properly points out the means employed...
