

## Becoming Bilingual: Language Acquisition in a Bilingual Community (Paperback)

Filesize: 3.96 MB

### ***Reviews***

*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).*

## BECOMING BILINGUAL: LANGUAGE ACQUISITION IN A BILINGUAL COMMUNITY (PAPERBACK)

Channel View Publications Ltd, United Kingdom, 2001. Paperback. Book Condition: New. New.. 216 x 141 mm. Language: English . Brand New Book. Language is one of humanity s greatest achievements, yet one which virtually all children achieve remarkably quickly. How much more remarkable, therefore, when children learn not one but two languages! There are many single case studies describing children from families where determined parents adopt strategies to maximise their children s chances of becoming bilingual. Many more children, whose parents speak a mixture of languages, also become bilingual without this extra help. How this occurs and why some children have more problems than others in a bilingual environment are some of the issues addressed by this book, which is a longitudinal study of how children learn to use more than one language. The family is assumed to be the key factor in these processes, and bilingual language development is placed firmly within an interactive context, as it is from this context that the development of childhood bilingualism can best be understood. Thus the aims of this book are to examine how young children become bilingual, and to show what factors predict early childhood bilingualism.
